Circular regarding new session 2020-21

Esteemed Parents/ Dear students,

We at Satyam Shivam Sundaram Group of Institutions hope that all of you are safe and sound and are following all the measures recommended by the Government and Administration.

We are surely living in unprecedented times; the world has not seen anything like this since the last century. COVID-19 pandemic has put our daily lives on hold and staying in our homes and maintaining social distancing has become the only way of fighting this pandemic. Because of the ongoing lockdown, we were not able to finish our final examinations and start our new session as per schedule. This tough time calls for extraordinary measures. We believe that the process of learning should never stop and to bring the teaching-learning process on track, a few decisions have been taken as listed:

- **For Classes 1 to 8:** As per the guidelines and recommendations of CBSE, all students studying in classes 1 to 8 have been promoted to the next class/grade. So, students should now start studying for the new class.
- **For classes 9 and 11:** The students of classes 9 and 11 will be promoted to next class/grade based on their performance in school-based assessments including project work, periodic tests, term exams, etc conducted so far. All the students are recommended to start studying for their new classes i.e. 10th and 12th respectively, they will be given a report card based on internal assessment when the school re-opens.
- **For class 10:** All the students who appeared for class 10th board examination should not waste their precious time waiting for the results and start studying for class 11th immediately.

Online-Classes

The school management has decided to start the new session using digital platforms. We will be using digital tools to implement online classes, send assignments, conduct tests, bring all the students on a single platform and to build a virtual community in this time of social distancing. I am listing a few tools which students will have to get comfortable with for these classes to be conducted smoothly:

- **Google classroom:** This is a great tool developed by Google to create a virtual classroom. It can either be used through laptops and desktops by visiting the website <https://classroom.google.com/> or Google Classroom app can be downloaded from the play store (android user), app store (ios users). Here is a small video explaining how to use google classroom, click on this link to watch the video : <https://www.youtube.com/watch?v=PqWHA-nRfh8>

- **Google Hangouts Meet:** This tool is also developed by Google and can be used to conduct online sessions where all the students and teachers can come face to face via video conferencing. This can also be accessed either via desktop/laptop by visiting <https://meet.google.com/>. You can download the Hangout meet app from the play store (android user) and app store (ios user). Here is a small video explaining how to use Google Meet, click on this link to watch the video:

Dear Parents/students, these initiatives are being taken so that the students can be kept engaged and their time can be utilized productively even during this lockdown. Most of your teachers will also be using these tools for the first time, so there might be some hiccups in the beginning but be patient as time passes things will become smoother. Most of the parents and students have been connected through whatsapp but there are still few who could not be connected, it becomes the responsibility of the students to communicate it to their classmates and bring them to google classrooms.

You can subscribe to our YouTube Page: by clicking this link <https://www.youtube.com/channel/UCg7pY7qeEDZioWZV-zSm5xw> or you can go to Youtube and search Shivam convent Youtube page.

Appel to all the students to use their screen time productively.

!!! Stay Home Stay Safe!!!

Thanks, and regards

Please contact us by sending an email on info@shivamconvent.com if you are facing any issue. A class code will be sent by respective class teachers.
