

*About Postponement of Class 12 Unit Tests

Esteemed parents

Greetings

It is being brought to your kind notice that despite our repeated requests there are so many children who have not collected their admit cards for appearing in their Unit Tests. As per CBSE guidelines it is mandatory for the students to appear in Periodic Tests and Unit Tests. Keeping in view the interest of the students the school management has decided to postpone the Unit Tests of class 12 which were to commence from tomorrow will now commence on 24th June 2021.

It is now compulsory for the parents to collect the Admit Card of their ward by depositing the fee up to June month by 21st June 2021. If then also there are children whose fee is not deposited then all these children will not be permitted to appear in the Unit Tests. All these children will suffer a lot when the result of their final examination is declared. Their result will be adversely affected. School will not take any responsibility. All the parents are, therefore, once again requested to collect the Admit Cards as early as possible before examination. Admit Card can be taken from the fee counter of the school which remains open from 8 AM to 4 PM daily. Fee can also be deposited online.

If you are making online payment then admit card will be sent to you on your WhatsApp No. After making the online payment please confirm by sending its screen shot to the following phone number with student's detail :- 8102924011
